March 12, 2006

Dear John,

Thank you so much for your participation in the Dogwood Arts Festival's 2006 House + Garden Show. Your garden and waterfall were so beautiful, and made a great centerpiece for the whole show.

Congratulations on your award - you are very deserving.

We appreciate the way you somehow get the whole thing together so quickly and efficicently! We look forward to working with you again next year!
